

## Measures initiated by the Institution for the promotion of gender equity during the year 2021-22

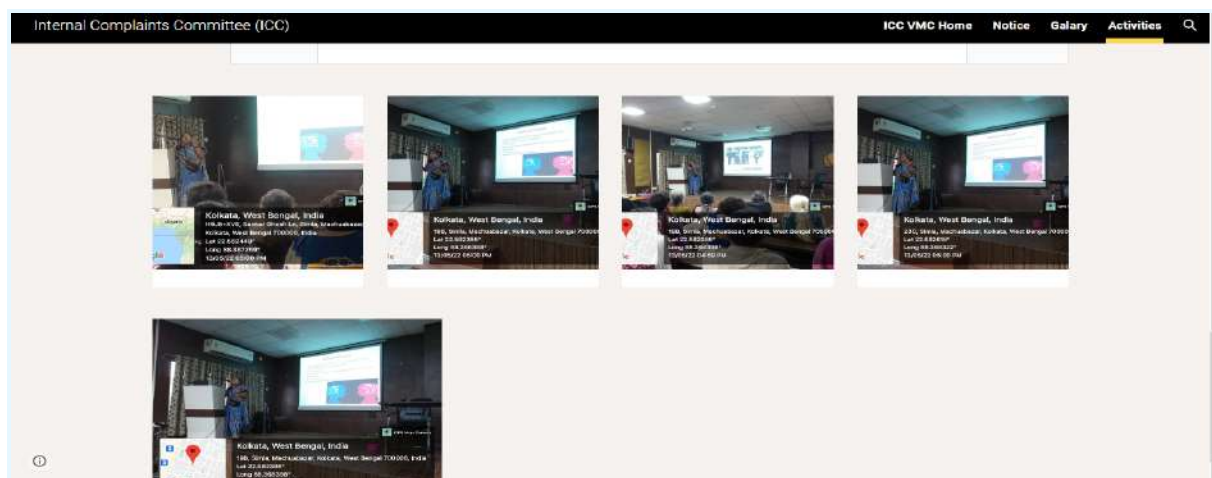

### 1. One Billion Rising by RAHI, 14th Feb, 2022

Students and faculty members of VMC joined the Kolkata chapter of One Billion Rising, in collaboration with RAHI in a rally to rise against violence against women. It is a kind of mass agitation for justice and revolution to bring about systematic change. It is a clarion call for creating a new kind of consciousness through solidarity.

### 2. Gender Sensitization Program by internal Complaints Committee, 13th May 2022

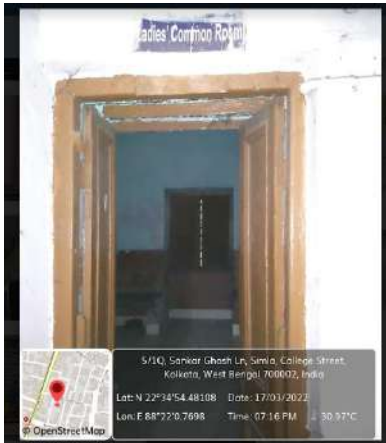

"If we are all women/girls/men/boys, then who is human?"

The Speaker, Dr. Saswati Ghosh, Associate Professor in Economics, City College, Kolkata, sensitized the audience regarding body politics and the making of the gendered body with special reference to queer identities.

### 3. Specific facilities provided for women

Common Room for Girls and an active Internal Complaints Cell and an Anti-ragging and Anti-Harassment Cell. The College provides counselling facilities as well by a certified therapist.

### 4. Annual gender sensitization action plan

Gender sensitization programs with the intention of rethinking gender, sex, masculinity, and femininity, creating awareness regarding body imaging and shaming.
