AND

RIGHT BRAINS TECHNOLOGY, a private concern, having its Office at Ground Floor, Sanghoti Abasan, Garia Main Road, P.S. Narendrapur, Kolkata-700084, represented by its Proprietor Sri Rajib Mukherjee, son of Sri Ananda Gopal Mukherjee, hereinafter referred to as the SECOND PARTY (which term or expression shall unless excluded by or repugnant to the context be deemed to mean and include its successor in office, representatives, administrators, and assigns) OF THE OTHER PART.

WHEREAS Vidyasagar Metropolitan College, a 2nd cycle NAAC accredited institution, seeks to establish a collaborative partnership aimed at enhancing the educational experience through the use of advanced technological solutions provided by Right Brain Technologies, a registered software company, and the Second Party has agreed to this proposal.

NOW THIS AGREEMENT WITNESSETH and it is agreed by and between both the parties hereto as follows:

**MoU Objectives**

**1. Provision of Learning Management System (LMS):**

Right Brain Technologies agrees to provide Vidyasagar Metropolitan College with its Learning Management System (LMS) until 30.06.2024 at no cost. The LMS will support the college's educational delivery, enabling a streamlined, user-friendly platform for course management, student tracking, and communication.

Proprietor

## **2. Access to Open Educational Resources (OER):**

As part of this MoU, Right Brain Technologies will provide access to a comprehensive collection of Open Educational Resources (OER). These resources will be available to students and faculty to enhance the learning experience.

## **3. Implementation of a Feedback System:**

Right Brain Technologies will manage a Feedback System tailored for Vidyasagar Metropolitan College. This system will allow for the collection and analysis of feedback from students and faculty, enabling continuous improvement of academic and administrative processes.

## **4. CO-PO Mapping System:**

Right Brain Technologies will provide a Course Outcomes (CO) and Program Outcomes (PO) Mapping System. This tool will assist in aligning course objectives with program outcomes, ensuring that educational goals are met effectively.

## **5. Organization of Seminars and Workshops:**

Right Brain Technologies will organize and conduct seminars, workshops, and training sessions on recent technological advancements. These events will be targeted towards both faculty and students, aiming to keep the college community informed about the latest developments in technology and how they can be applied within the academic environment.

## **Detailed Terms and Conditions**

### **Duration and Renewal:**

This MoU is valid for an initial period of two years starting from the date of signing. During this period, all services provided by Right Brain Technologies (LMS, OER, Feedback System, and CO-PO Mapping System) will be free of charge. After the two-year period, Right Brain Technologies reserves the right to charge for continued use of these services. The fee structure and terms for continued use will be mutually agreed upon before the conclusion of the free service period.

### **Responsibilities of Right Brain Technologies:**

1. To provide and maintain the LMS, OER, Feedback System, and CO-PO Mapping System at no cost during the initial two-year period.
2. To ensure that all systems are fully operational and accessible to authorized users within Vidyasagar Metropolitan College.
3. To organize seminars/workshops on recent technological advancements relevant to education.
4. To provide technical support and training to faculty and staff for the effective use of the LMS, OER, Feedback System, and CO-PO Mapping System.

### **Responsibilities of Vidyasagar Metropolitan College:**

1. To facilitate the installation and integration of the LMS, OER, Feedback System, and CO-PO Mapping System within the college's existing infrastructure.
2. To actively promote and encourage the participation of faculty, staff, and students in the seminars and workshops organized by Right Brain Technologies.

Kolkata-700 006

RIGHT BRAINS TECHNOLOGY  
  
Proprietor

3. To provide feedback to Right Brain Technologies regarding the effectiveness and usability of the provided systems.

**Financial Terms:**

All services provided under this MoU will be free of charge for until 30.06.2024. Upon expiration of this period, Vidyasagar Metropolitan College will be responsible for any fees associated with the continued use of the LMS, OER, Feedback System, and CO-PO Mapping System. The fee structure will be mutually agreed upon and documented in an addendum to this MoU or a separate agreement.

**Confidentiality:**

Both parties agree to maintain the confidentiality of any proprietary or sensitive information exchanged during this collaboration. This includes, but is not limited to, software details, system architecture, user data, and any other confidential information.

**Intellectual Property Rights:**

All intellectual property developed or provided by Right Brain Technologies as part of this collaboration remains the property of Right Brain Technologies. Vidyasagar Metropolitan College will have the right to use these resources as per the terms of this MoU.

**Dispute Resolution:**

If any disputes arise in respect of this Agreement, then Principal of the College and Mr Rajib Mukherjee will discuss and settle the matter amicably.
