ACTIVITY REPORT 2022-23

- **NATURE OF ACTIVITY: E-WASTE RECYCLING**
- **DATE:** 12/8/22
- **DETAILS:** Vidyasagar Metropolitan College ethically collected, channelized and recycled 172.80 kgs of e-waste and was certified for this activity by Hulladek
- Recycling-electronic waste management company.

ACTIVITY REPORT
DEPARTMENT OF HISTORY

Name of the Department : Department of History
Title of the activity : Historical exhibition on National Movement
Date : 15th August 2022
Time : 10.00 a.m
Name of the Competitors : 23 participants
Winners of the Competition : **First prize** - **AKM Asifurzaman**
Bandana Dutta
Second Prize - **Swarnock Das,**
Ritonkor Mallick,
Puja Das,
Chandrika Mayak
Third Prize - **Koushiki Biswas**

Description:

The exhibition was organized by Department of History, Vidyasagar Metropolitan college on 15th August 2022 to commemorate the 75th year of Independence. The exhibition centred around Indian National Movement. The exhibition was thematically divided into 9 periods- 1857-1866, 1867-1876, 1877-1886, 1887- 1896, 1897-1906, 1907-1917, 1917-1926, 1927-1936, 1937-1947.

ACTIVITY REPORT

1. Name of the sub-committee : Research Sub- Committee
2. Title of the activity : Lecture on :
Magneto-electric coupling in d-f coupled system.
3. Date : 27/08/2022
4. Time : 3 p.m.
5. Speaker's profile : Dr. Tathamoy Basu
Assistant Professor
Rajib Gandhi Institute of Petroleum
Technology Jais, Amethi, UP; India
6. Summary of the lecture/presentation(s): Multiferroic composites are promising candidates for magnetic field sensors, next-generation low power memory and spintronic devices, as they exhibit much higher magnetoelectric (ME) coupling and coupled ordering parameters compared to the single- phase multiferroics.
7. Geotagged pictures :

ACTIVITY REPORT
DEPARTMENT OF HISTORY

Name of the Department : Department of History
Title of the activity : **Special lecture by Dr Debalina Banerjee**
Topic : Historical Perspectives of Romanticism
Date : 2nd September 2022
Time : 2.30 p.m
Participants : 32 students
Picture :

ACTIVITY REPORT

1. Name of the sub-committee : Research Sub- Committee
2. Title of the activity : Seminar
3. Date : 03/09/2022
4. Time : 7 p.m.
5. Speaker's profile : Prof. Gautam Gangopadhyay,
Professor, Department of Physics University
of Calcutta
92 A P C Road; Kolkata-700009
6. Title of the lecture : Meghnad Saha: Bigyani o Desopremik
7. Collaboration : Organized by 'Research Sub-committee' in
collaboration with 'Bangiya Bijnan
Parishad', West Bengal, Kolkata-700006.
8. Summary of the lecture/presentation(s) : Prof. Gangopadhyay has been discussed the
contribution of Prof. Meghnad Saha in
science and technology. Prof. Saha has been
struggled against poverty, caste based
discrimination and established himself as an
eminent scientist. His contribution in
research related to Nuclear physics,
statistical and thermal physics are
noteworthy. He has established research
institutes and professional bodies. Further,
patriotism of Prof. Meghnad Saha is also
mentioned.

ACTIVITY REPORT

1. **Name of the Department** : **Department of Mathematics**
2. **Title of the Activity** : **Commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan**
3. **Date** : **5th September , 2023**
4. **Time** : **12 noon to 2 p.m.**
5. **No. of participants** : **3 teachers and 15 students**
6. **Summary of the event** : **On that day we (both teachers and students) paid our gratitude to our role models , teachers and a departmental cultural program was held.**
7. **Pictures** :

ACTIVITY REPORT

1. **Name of the Department** : **Department of Commerce**
2. **Title of the Activity** : **Commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan**
3. **Date** : **5th September , 2022**
4. **Time** : **4:30 p.m to 6:30 p.m**
5. **No. of participants** : **3 teachers and 55 students**
6. **Summary of the event** : Teachers' Day is a special occasion dedicated to commemorate the birth anniversary of Dr Sarvepalli Radhakrishnan. The students and the teachers of the department expressed their gratitude to the great educator for his invaluable contributions. On this day, students expressed their appreciation through various gestures such as cards, gifts, heartfelt messages and enjoyable cultural presentations. Principal Dr R S Gangopadhyay in his speech remembered the contributions of Dr Radhakrishnan and urged the students to follow his ideals. Dr Pranati Sinha Mullick of Department of Bengali in her short speech reminded the crucial role played by the teachers in imparting knowledge, fostering critical thinking, and instilling values in the students. Dr Sarajit Sardar of Department of Commerce said that Teachers' Day is not only about acknowledging the academic aspect but also recognizing the mentorship and guidance teachers provide beyond the classroom. Their influence extends beyond textbooks, helping students develop life skills and encouraging them to pursue their passions. The students presented their talents in singing, dancing etc. and stole the hearts of the teachers.

ENVIRONMENTAL CONSCIOUSNESS AND SUSTAINABILITY SUBCOMMITTEE

IN COLLABORATION WITH

HUMAN VALUES AND PROFESSIONAL ETHICS SUBCOMMITTEES

ACTIVITY REPORT 2022-23

- **NATURE OF ACTIVITY: COMMEMORATING INTERNATIONAL DAY OF CLEAN AIR FOR BLUE SKIES**
- **ORGANISED IN COLLABORATION WITH: Switch on Foundation**
- **DATE: 7/9/22**
- **EVENT DETAILS:** The International Day of Clean Air for Blue Skies raises awareness regarding air pollution and its harmful effect on health and wellbeing. The United Nations General Assembly designated 7 September as the International Day of Clean Air for Blue Skies in 2019. Vidyasagar Metropolitan College decided to commemorate this day in collaboration with Switch On Foundation with a human formation of the words “Clean Air”, in keeping with the UNEP vision of seeing the improvement of air quality as crucial towards tackling climate change, biodiversity loss and pollution. The human formation by students and teachers helped to create awareness regarding these issues.
- **NO. OF PARTICIPANTS: 65+**

ENVIRONMENTAL CONSCIOUSNESS AND SUSTAINABILITY SUBCOMMITTEE

IN COLLABORATION WITH

HUMAN VALUES AND PROFESSIONAL ETHICS SUBCOMMITTEES

ACTIVITY REPORT 2022-23

- **NATURE OF ACTIVITY: SENSITIZING STUDENTS TO THE CODE OF CONDUCT WHILE STUDYING AT VIDYASAGAR METROPOLITAN COLLEGE**
- **DATE:** 19/9/22
- **DETAILS:** Teachers of Vidyasagar Metropolitan College sensitized students to the Code of Conduct that they were expected to follow as students of the college, as part of the Orientation program with first year students joining the college.

ACTIVITY REPORT
FOUNDER'S DAY CELEBRATION

23/09/2022 and 26/09/2022

23/09/2022

VIDYASAGAR METROPOLITAN COLLEGE

cordially invites to the

Founder's Day celebration

on

Monday, 26.09.22, 2:00 pm onwards

Chief Guest

Prof. Amlan Chakraborty
*(A. K. Choudhury School of Information Technology,
University of Calcutta)*

Presided over by

Mr. Vivek Gupta
(President, Governing Body, VMC)

Patron

Dr. Ram Swarup Gangopadhyay
(Principal)

2:00 pm: *Inaugural session*

2:20 pm: *Cultural Program*

3:00 pm: *Vidyasagar Memorial Lecture:*
Prof. Amlan Chakraborty
Topic: *Quantum Intelligence*

4:00 pm: *Prize Distribution Ceremony*

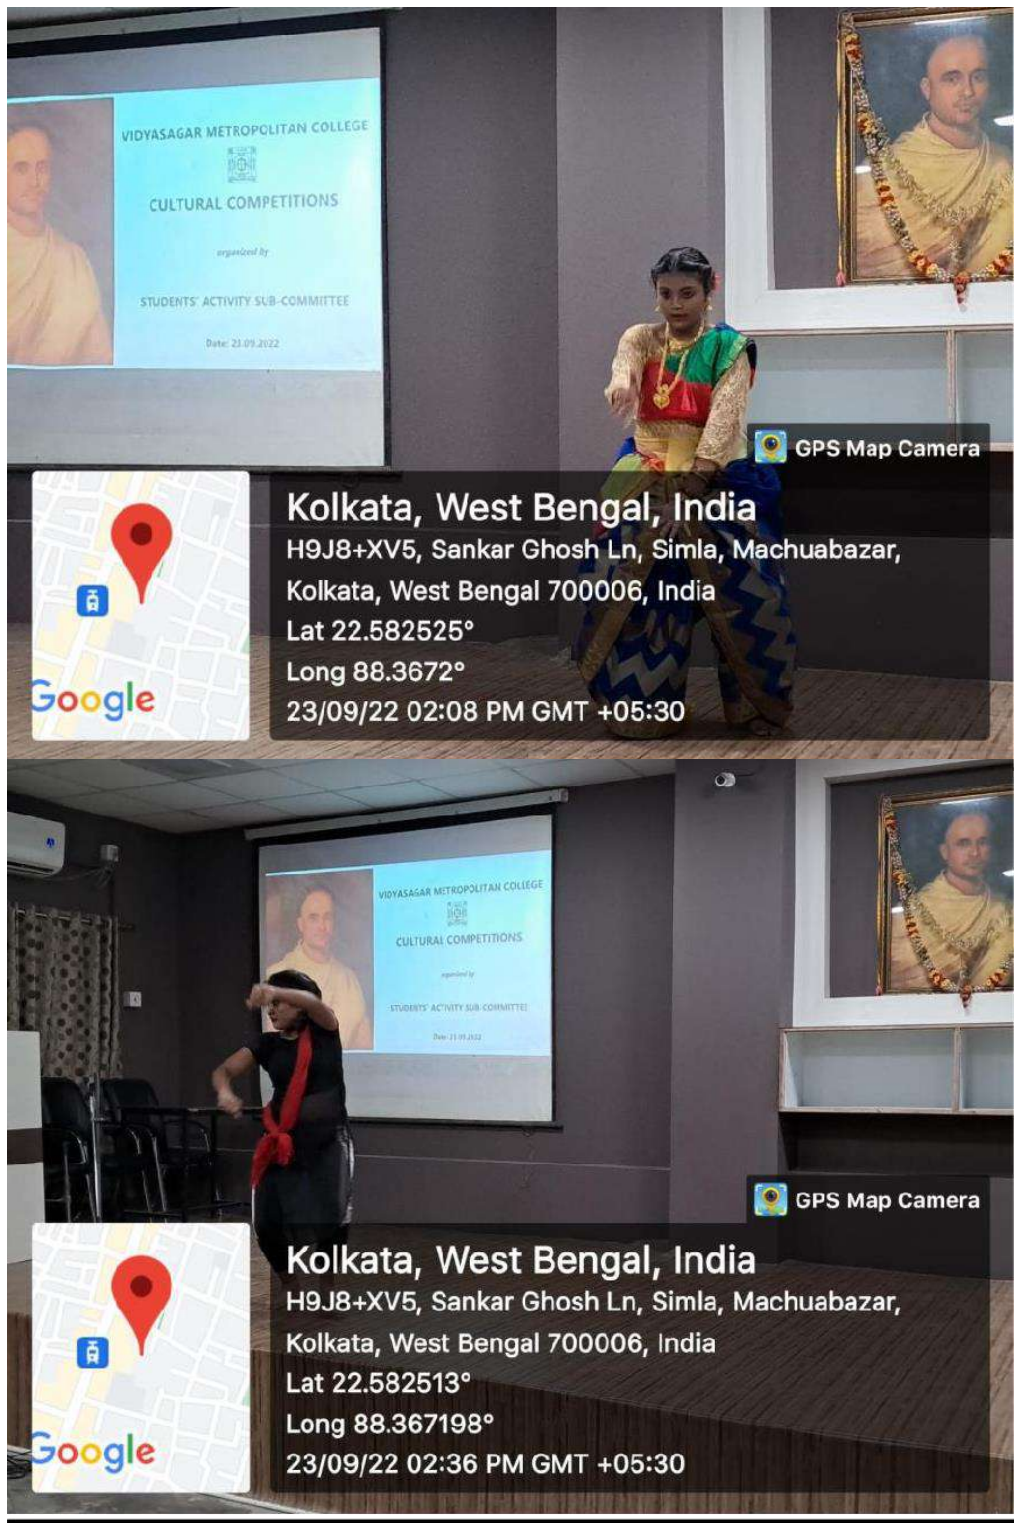

1. **Name of the Sub-Committee** : Student's Activity Sub-Committee
2. **Title of the activity** : Singing Competition
3. **Date** : 23/9/2022
4. **Time** : 12.00 P.M
5. **No of competitors** : 7 students
6. **Winners** : Ist Prize- Sohini Das
2nd Prize- Srija Ghosh
3rd Prize- Ishar Dhar

7. Geo Tag photos:

1. **Title of the activity** : Dance Competition

26/09/2022

1. **Name of the Sub- Committee** : Student's Activity Sub-Committee
2. **Title of the activity** : Founder's Day celebration
3. **Name of the Speaker** : Vidyasagar Memorial lecture by Amlan Chakraborty
4. **Details of the Speaker** :

Amlan Chakrabarti is a Full Professor of Information Technology in the A.K.Choudhury School of Information Technology at the University of Calcutta. He is also the Dean, Faculty of Engineering and Technology of his university. He is an M.Tech. from the Dept. of Radiophysics and Electronics, University of Calcutta and did his Doctoral research at the Indian Statistical Institute, Kolkata. He was a Post-Doctoral fellow at the School of Engineering, Princeton University, USA during 2011-2012. He is the recipient of DST BOYSCAST fellowship award in Engineering Science in 2011, Indian National Science Academy (INSA) Visiting Faculty Fellowship in 2014, JSPS Invitation Research Award in 2016 and Erasmus Mundus Leaders Award from EU in 2017 and Hamied Visiting Fellowship from Cambridge University in 2018.

He has been associated with reputed international and national institutes of repute as a Visiting Professor to name a few, University of Cambridge, City University of London, University of Oradea Romania, SUNNY Buffalo USA, GSI Helmholtz Research Laboratory Germany, University of Bremen Germany, CERN Geneva, Kyushu Institute of Technology Japan etc.

He has received multiple project grants in the areas of Embedded System Design, VLSI Design, Quantum Computing, Cybersecurity, and Computer Vision from various national and

international agencies. He has published around 130 research papers in referred journals and conferences. He is a Sr. Member of IEEE and ACM, Secretary of IEEE CEDA India Chapter and Vice President of Society for Data Science.

His areas of research interest are Quantum Computing, Embedded Systems Design, VLSI Design, Computer Vision and Analytics

ACTIVITY REPORT

1. **Name of the Unit:** NSS Unit
2. **Title of the activity:** NSS Day Celebration
3. **Date:** 24.09.2022
4. **Venue:** Adopted slum Shibnarayan Das Lane, Kolkata -700006
5. **Time:** 4:00 pm to 8:30 pm
6. **No of participants:** NSS volunteers – 25, College Staff – 10, Adopted slum people – almost 200
7. **Short description of the event:** On September 24, 2022, the NSS Unit of Vidyasagar Metropolitan College celebrated NSS Day. The program commenced at 4 pm at Shibnarayan Das Lane. The NSS flag was hoisted at the beginning of the event by the Hon'ble Principal, Dr. Ram Swarup Gangopadhyay. The IQAC Coordinator, Dr. Sarjit Sardar, graced the event. NSS Committee Members Prof. Damayanti Bakra, Dr. Swati Maitra Banerjee, and Dr. Shalini Gupta and other staff and students of the college were present to make the event success. NSS Volunteers and residents of the adopted slum were present on the occasion.
Hon'ble Principal Dr. Ram Swarup Gangopadhyay and NSS Program Officer Mr. Pulak Ranjan Naskar discussed the importance of the NSS Day and the details of the event. The slum representative, Mr. Raju Das, delivered his speech. Eighty bed sheets were distributed to the residents of the adopted slum. Subsequently, NSS volunteers served khichuri to almost 200 slum residents.

ACTIVITY REPORT

- 1. Name of the Unit** : NSS Unit
- 2. Title of the activity** : Clean India Campaign
- 3. Date** : 19th October 2022
- 4. Venue** : Babughat (K.M.C. Word no. 45)
- 5. Time** : 2:00 pm to 5:30 pm
- 6. No of participants** : NSS volunteers from our college – 8, NSS
volunteers from other colleges – around 100

7. Short description of the event:

On the 19th of October 2022, the Clean India Program was organized at Babughat, Kolkata, which is an initiative of the National Service Scheme (NSS), University of Calcutta. Eight NSS volunteers from our college participated in this program, and around a hundred NSS volunteers from other colleges took part in the event. NSS volunteers cleaned up the garbage in the Ganga bank area at Babughat in Ward 45 of Kolkata. The NSS volunteers reached the spot at 2 pm, registered themselves, and, along with NSS volunteers from other colleges, engaged in cleaning the garbage from the Ganga banks. Dr. Debarati Das, NSS Programme Coordinator of University of Calcutta, was present along with other dignitaries. She supervised the work. The NSS volunteers collected the garbage in sacks and dumped them in dustbins. The programme ended at 5:30 p.m.

F. No – P-33-1/ RD/ NSS/KOL/ 2022-2023 / 4284-4381

Dated the 17th October, 2022

To,

The Programme Coordinator, NSS
All Universities/ Institutions/ +2 Council
West Bengal

Sub- "Clean India" campaign to be organized from 1.10.2022 to 31.10.2022- Reg.

Madam/ Sir,

With reference to this Office letter of even no dated 29th September, 2022 & 30th September 2022 on the subject cited above it is to inform you that to celebrate the "Azadi Ka Amrit Mahotsav" of 75 Years of glory of Independence, Dept. of Youth Affairs, Ministry of Youth Affairs & Sports, Govt. of India is undertaking "Clean India Campaign". The Programme is aim at awareness, mobilization of people and ensuring their involvement in clean India initiatives.

In this context a meeting was held on 16th October under the chairmanship of Director, Directorate of NSS, New Delhi with Regional Directors & State NSS Officer of all States to make this clean India campaign grand success. In this regard, Director, Directorate of NSS, New Delhi issued an instruction to all Regional Directors as well as State NSS Officers to observe the Clean India Special Drive Campaign on 19th October, 2022 by all the NSS Units involving maximum NSS Volunteers in their concerned States & collect waste, plastic minimum 3-4 Kgs. per NSS volunteers so that the aim of the Clean India Campaign to be fulfilled.

You are therefore requested to instruct necessary instruction to all NSS Units under your jurisdiction to observe "Clean India Special Drive Campaign" on 19th October, 2022 in befitting manner engaging maximum NSS volunteers from every Institutions in this noble task. Further, all the activities performed during the day should be uploaded using [#SwachhBharat2022](#) and [#CleanIndia2](#) hastags in the social media like Facebook, twitter, instagram, Koo tagging the concerned Ministries. Apart from observation of **Clean India Special Drive** Programme on **19.10.2022**, the Clean India Campaign will be continued to observe till 31.10. 2022 by all the NSS Units.

The matter may please be treated as **MOST URGENT**.

Yours faithfully,

(Vinay Kumar)

Regional Director

- Copy to:**
1. All Vice Chancellor/ Director/ President of all Universities/ Institutions/ +2 Council of West Bengal.
 2. The Director, NSS, Min. of Youth Affairs & Sports, Govt. of India, New Delhi – 110001.
 3. The Under Secretary, NSS, Min. of Youth Affairs & Sports, Govt. of India, New Delhi – 110001.
 4. The State NSS Officer, Dept. of Higher Education, Govt. of west Bengal, Bikash Bhavan, Salt lake **with a request to issue an instruction to observe the day by all NSS Units.**
 4. The District Nodal Officers, NSS of all District of West Bengal with an instruction to observe the day & collect maximum waste.

**ACTIVITY REPORT ON
FIELD STUDY
DEPARTMENT OF GEOGRAPHY**

OCTOBER 18—NOVEMBER 01, 2022

1. **Name of the Department** : **Department of Geography**
2. **Title of the activity** : **Field study report on Physical and cultural characteristics of Kaza Khas and Kaza Soma village with special reference to problems of tourism, Upper Spiti valley, Lahul and Spiti district, Himachal Pradesh.**
3. **Date** : **18 October, 2022—01 November, 2022**
4. **No. of participants** : **65 students of III and V semester Honours, teachers and non-Teaching staff.**
5. **SUMMARY OF THE ACTIVITY** :

Field work is collecting information and a good field work is collecting information for a purpose (Greasley, 1984). The sequence of steps to be followed in such an investigation rest on a fixed frame—

Steps	Work theme
1	Correlation between physical and cultural landscape of Kaza Khas village,
2	To set the concept, several questions be framed following geographical logic,
3	For each question, postulate a geographically relevant hypothesis, i.e., there has been a sound and positive correlation between the physical and cultural elements of the study region,
4	It is now to be decided, what information is to be collected,
5	Process and analyze the results of field work,

Objectives: Main objective of the field report are----

[i] to study the physical features like climate, relief, vegetation, soil, etc.

[ii] to highlight the existing accommodation and marketing facilities of the above-mentioned places,

[iii] to study the demographic, social, cultural and economic status of the people of Kaza Khas,

[iv] to study the problems of tourism,

[iv] to formulate the suggestions for future development,

[v] to suggest probable remedies to overcome of problems.

Sources of the Data: Both primary and secondary data have been used vigorously for the field report. Data in the primary source is based on the questionnaire which includes households, market surveys; transport etc. Secondary data includes office's records, Census of India, NATMO, different administrative offices, district gazetteer of Lahul and Spiti District, different relevant books.

Data collection: The data required to test ideas or questions would depend very much upon the specific idea or question being tested. Normally two types of data are collected—(i) Primary and (ii) Secondary.

The first one concerns the first-hand information collected in the field while the second one collected from the extra field sources. The primary data are obtained from the actual field work by a series of thorough surveying or by a set of questionnaires with the help of random sampling sufficiently to draw statistical inferences at a desired significance level. This includes surveying (e.g., land use, market, household etc.), questionnaires, field sketches, measurements and interviews. The checklist of equipment for the collection of primary data consists of instruments (viz. Dumpy level, Prismatic compass, Clinometer, GPS, Tape, staff, camera etc.), data recording articles and well-planned questionnaires.

The secondary data refers to those collected from secondary sources like books, journals, Census Hand books, District Gazetteers, Statistical Abstracts, Maps etc.

This report is organized by four sections containing general aspects of the study area, physical background, socio-economic background and relationship between physical and cultural aspects. We do our best to find out the relationship, but and right some difficulties regarding the collection of primary and secondary data and proper response from the household arose during the field work.

Methodology: The study is based on the evolutionary methods in terms of both qualitative and quantitative processes. The functional morphology and land use map of the area have been prepared on the basis of field observation in relation to socio-economic characteristics. The data were collected and analyzed to understand the morphology and dichotomy of the settlements in the region. Hence to achieve the objectives of the study, the whole field work has been conducted in three stages—Pre field stage, Field stage and Post field stage.

Pre field stage: In the Pre field study relevant information, literatures, maps and statistical data relating to the study of physical-cultural analysis of the town, have been collected from the different sources. Collected materials have been analyzed to acquire sufficient knowledge for conducting the survey work conveniently.

Field work stage: During the field work different surveys were carried out to get relevant information on topography, demography, literacy, occupational structure, spatial characteristics of service centers and housing patterns, traffic flow and tourist interests etc. These surveys provided us the data, the analyses of which form the major and integral part of the study area.

Post field stage: In the post field study the collected data and information were analyzed and different key maps were prepared with proper cartographic methods for the transmission of the data effectively. These helped us to evaluate the spatio-temporal growth of the area.

Both statistical and cartographic techniques have been used to prepare the report. Statistical part includes surveyed data which is converted to master table and then to convert small tables according to everyone's need, then the calculated data from primary and secondary sources are being depicted on maps by diagrams or suitable cartograms.

Major findings: ENVIRONMENTAL ISSUES, PRONENESS TO NATURAL HAZARDS--

(1) Environment plays a crucial role in establishing the path for future development. Both natural as well as built environment, not only need to be conserved but also protected from various natural hazards. Kaza Khas area is endowed with various ecologically sensitive natural features such as rivers, hill slopes etc. Hence, planning for this area needs to be taken up in an environmentally sustainable manner. Kaza Khas area is vulnerable to natural disaster due to its location on hilly terrain. Floods, earthquakes and landslides are some of the major threats.

(2) Environment and disaster risk for a given area are intrinsically linked. Many of the disasters occur due to combination of natural hazard and vulnerability. This report tries to reduce vulnerability by inhibiting dense concentration of population and environmentally-sensitive Development Control Regulations. This can help in minimizing the disaster risk which exists in the area due to presence of natural hazards. This approach can be categorized as a pre-disaster approach, where instead of solely focusing on post disaster response, measures are adopted to mitigate disaster and to minimize its ill effects in the event of disaster.

PROPOSALS

The following are proposed to conserve the environment as well as to minimize disaster risk.

- **Delineation of undeveloped zone** – This zone, which comprises of river bank area, covers more than 15% of the area. Construction shall not be allowed in this zone, except for temporary structures subject to conditions specified in the Development Control Regulations and only with special permission.
- **Restrictions on slopes**--Construction on slopes more than 45° shall not be allowed, while construction on slopes below 45° shall be only after prior permission from the competent authority.
- **Building permission**--New building permission shall only be given to buildings incorporating earthquake resistant designs.
- **Restrictions on liquefaction of site**--No land shall be used as a site for the construction of building if the site is found to be liable to liquefaction by the competent authority keeping in view the earthquake intensity of the area.

PROPOSALS FOR TOURISM DEVELOPMENT

Strategies to improve tourism infrastructure and experience of tourists in the area are given below---

◆ **Establishment of Tourist information center:** Tourist information center is present at Kaza. More information centers need to be established in the area.

◆ **Artisans village cum vocational training center:** Towards promoting local handicrafts, handloom and other allied functions, where talented artisans from all over region can perform, village cum vocational center to be developed. Besides, a cultural center has to be developed to perform the regional folk dance and other cultural activities.

◆ **Formation of volunteer network for identified sites:** Many famous treks like Pin-Parvati, Parang-La and Pin-Bhaba, Kunzum la etc. are falling in the area which are difficult to be monitored all the time. Sometimes people get lost during trekking. To overcome this problem, the department of tourism and district administration should mobilize a volunteer network for taking up necessary work locally. Local people, stakeholders and institutions have to be identified in each locality which can take up the task of monitoring and facilitation of the visitors and other such activity. Tour operators and other infrastructure providing institutions must work closely with this volunteer network to identify and resolve the issues.

◆ **Tourism branding and promotion:** Government of Himachal Pradesh is promoting the state tourism through television advertisement and other media. Also, tourism department, is taking necessary steps to promote tourism in Kaza Area but it can be advertised more on a larger scale so that more people can participate and witness the festivals and fairs held there every year.

KEY ISSUES: The sectoral key issues that emerged out of public consultations, field visits, analysis of data from secondary sources and discussions with Kaza panchayat office are---

(1) Physical Growth and Environment: The major issues that face Kaza are --

- (a) Hilly terrain and ecologically fragile areas restrict the physical expansion within the village boundary;
- (b) Although ecologically sensitive areas have been earmarked as 'prohibited areas' in the plan, there is high incidence of unauthorized construction in these areas;
- (c) Many buildings in the old village area are in dilapidated condition;
- (d) Growth of slums and squatter settlements is leading to environmental degradation;
- (e) Unsafe construction practices render the buildings vulnerable to natural disasters;
- (f) Landslides on surrounding hills, and
- (g) Pollution in the locality.

(2) Water Supply: Kaza depends on springs and streams originating high above in the surrounding hills for its water supply. The flow in these springs and khads depends on a variety of factors including levels of rainfall and snowfall, rate of snowmelt, land use in the catchment, and is also likely to be affected by climate change, urbanization etc.

However, unequal distribution of water, low pressures, old dilapidated pipelines, uncontrolled zoning and unsatisfactory operation and maintenance requires thorough reorganization and up-gradation of this sector to meet future demand.

(3) Storm Water Drainage: In a hilly village like Kaza, adequate storm water drainage facilities are required to prevent soil erosion and control of pollution to water bodies. Investments are needed to address the needs of

- (a) repairs and reconstruction of drains in critical sections,
- (b) additional cross walls and catch-pits,
- (c) provision of screens at outfalls,
- (d) disconnection of side drains from sewers and
- (e) removal of obstruction in drains.

(4) Solid Waste Management: The village has not met its mandatory obligations under the Solid Waste Management Rules, 2000 and is burdened with an inefficient collection system, environmentally unsound disposal practices and uncontrolled dumping at a site down a gorge like formation. It thus requires immediate and sustained effort to upgrade to an acceptable level.

(5) Roads and Transport: High percentage of tourists with respect to the resident population, growing number of vehicles and lack of space lead to an unacceptable congestion in Kaza. Traffic management, road

hierarchy and provision of parking are greatest needs. Pedestrianization of tourist areas and alternative intermediate transport are of utmost importance. The village needs immediate investment in these areas.

(6) Heritage and Tourism: Kaza is a known destination in the Tribal and Buddhist voyage of India. Tourists are attracted by the beauty of Kaza surrounded by hills and its rich cultural heritage. Its rich heritage needs to be conserved and showcased to promote tourism through diverse means such as interpretation centers, experiential museums, walks, publications, etc. Other elements need attention, are--- demonstration of model architectural elements and restoration of heritage buildings such as gompas, monasteries etc. Kaza has the potential to tap high end tourism by development of eco-tourism and adventure tourism.

Report of Campaign against Sexual Harassment in College Campus by Internal Complaints Committee (ICC), Vidyasagar Metropolitan College done in November - December 2022

Our college has zero tolerance for sexual assault harassment bullying and discrimination and expects that students and staff regardless of any characteristics can report incidents of harassment. Wellbeing and support services are available for any students or staff members who have been affected by such behavior, keeping this in mind the committee framed a Google form and circulated it among students and all staff members. There were 312 responses.

This report aims to document that majority of the respondents never faced sexual harassment except a few sporadic cases but such cases were never reported by the victims either because they were reluctant or were unaware where to report.

Though this report highlights a safe and respectful work environment but the committee still needs to be proactive in spreading awareness among students about its existence, importance and functionality so that measures can be taken if any such cases occur within the campus.

We the members of the committee have requested mentors to voice out about the existence of ICC in classes so that we can reach out to maximum number of students. In future we plan to undertake such survey to promote safe and respectful work environment and also foster open communication and support encouraging all employees and students to come forward with any issues they may have. However, it is essential to remain vigilant and continue implementing preventive measures to uphold these standards in the future.

Your position in the organization

312 responses

Have you experienced sexual harassment at workplace? Sexual Harassment: Unwelcome sexual advances, request for sexual favors or other physi...ion towards an individual based upon sex or gender
312 responses

Who sexually harassed you

He has worked with numerous domestic & overseas clients across various sectors including IT, manufacturing, pharmaceutical, financial, logistics, and energy sectors.**

7. **Number of Participants** : 105 students and teachers

8. **Summary of lecture/presentation** :

International Accounting Day, a day dedicated to recognizing the invaluable contributions of accountants to the financial world. Accountants are the unsung heroes of the business realm, diligently crunching numbers, balancing books, and ensuring that financial records are accurate and transparent. They are the guardians of fiscal integrity, providing the bedrock upon which sound financial decisions are made. Without their expertise and dedication, the financial landscape would be fraught with uncertainty and chaos. But accounting is more than just numbers on a spreadsheet. It's about trust, integrity, and accountability. Accountants adhere to stringent ethical standards, ensuring that financial information is reported truthfully and fairly. Their commitment to upholding these principles instills confidence in investors, stakeholders, and the public, fostering trust in the financial system. In today's complex and dynamic business environment, accountants are not just bean counters; they are strategic advisors, guiding organizations through financial challenges and opportunities. They analyze data, identify trends, and provide insights that help businesses make informed decisions and chart a course for sustainable growth. Moreover, accountants play a vital role in promoting transparency and accountability in governance. By ensuring compliance with regulations and standards, they help mitigate risks and safeguard against fraud

and financial mismanagement. In an era where corporate transparency and ethical conduct are paramount, the work of accountants has never been more critical. On this International Accounting Day, let us express our appreciation for the dedication, professionalism, and expertise of accountants worldwide. Their tireless efforts contribute to the stability and prosperity of businesses, economies, and societies at large. Let us recognize and celebrate their indispensable role in shaping the financial landscape and driving progress.

Event - **Publication of the wall magazine named 'Anuranan'.**

Date – 10.11.2022.

Time - 5 PM.

Place: Department of Bengali, Vidyasagar Metropolitan College.

Number of participants: 26.

While moving through the humdrum of the regular syllabi, various ideas and emotions take shape in the minds of the students. One such outcome was manifested in the pages of the departmental wall magazine, 'Anuranan'. The drawings and write ups in 'Anuranan' were possible through beautiful and smooth editing.

May this labour of love thrive through the literary practices of the students.

ACTIVITY REPORT

1. **Name of the unit** : NSS Unit
2. **Title of the activity** : Adventure Camp, Narkanda Centre
3. **Date** : 10 November to 19 November 2022
4. **Venue** : Atal Bihari Vajpayee Institute of Mountaineering & Allied Sports, Narkanda Centre
5. **No of participants** : Two NSS volunteers Samrat Ghosh and Chandrachur Paul from Vidyasagar Metropolitan College

6. Short description of the event:

Two NSS volunteers from Vidyasagar Metropolitan College, along with 5 volunteers from the University of Calcutta and 15 NSS volunteers from other universities in West Bengal, participated in the adventure camp from 10.11.2022 to 19.11.2022 at the Atal Bihari Vajpayee Institute of Mountaineering & Allied Sports, Narkanda Centre. This initiative was organized by the Ministry of Youth Affairs & Sports, Government of India. We submitted a list of fourteen NSS volunteers to the University of Calcutta for selection in this program. Two volunteers, Samrat Ghosh and Chandrachur Paul, from the NSS unit of Vidyasagar Metropolitan College, were selected to participate in this program. NSS Programme Officer Dr. Rejaul Islam from Bhairab Ganguly College and Dr. Urvashi Lama from Sovarani Memorial College were the contingency leaders for this event.

**Subject :- Participation of NSS volunteers (as per the list attached) in the
adventure program will be organized at 10.11.2022- 19.11.2022 at Atal Bihari
Vajpayee Institute of Mountaineering & Allied Sports ,Narkanda Centre- reg**

Madam/ Sir

I am extremely glad to inform you that Ministry of Youth Affairs & Sports, Govt. of India has taken initiative to organize Adventure Camps for the year 2022-2023 in different batches from September 2022 to November 2022. It is my pleasure to inform you that your esteemed University is selected to participate in this prestigious camp as per the allocation stated below which will commence from 10.11.2022- 19.11.2022 at Atal Bihari Vajpayee Institute of Mountaineering & Allied Sports (AEVIMAS) Narkanda Centre.

All participants will be provided free boarding & lodging by the organizers, the second class sleeper class rail / ordinary bus fare will be paid by the shortest route from the university / College to Manali, Himachal Pradesh in prescribed TA proforma on submission of the original ticket (Original Bill & Original Tickets) by the Regional Directorate of NSS Kolkata. In addition to this, Track Suit, Water Bottle, Sports Shoes with Socks will also be provided by this office after receiving the list of participants in prescribed proforma. Necessary forms, instructions, and other information regarding the camp are attached herewith for kind perusal at your end. Team leader will be provided Honorarium as per the allocation of Govt. Budget.

You are therefore requested to instruct the Team Leader to get the second class sleeper class rail reservation ticket of all the participants up to Chandigarh/Delhi and travel from Chandigarh/Delhi to Narkanda (Himachal Pradesh) by ordinary Bus. Travel by Taxi or AC & Sleeper Bus from Chandigarh/Delhi will not be reimbursed.

The participants must reach the venue by the morning of **10th November, 2022** and make their reservation for the return journey on or after the evening of **19th November, 2022**. They should also carry Volunteer Ship Certificate, Indemnity Bond and Medical Fitness Certificate issued by recognized Medical Officer along with their daily usable items and photocopies of the relevant documents also be sent to this Office for record on or before **16.09.2022**. During the camp the temperature will be near about 2-3 degree therefore all the participants are asked to carry sufficient woolen clothes with jackets, woolen caps etc. The participants who have participated in the special camp, their names should be considered in the selection. In this regard a selection committee should be convened under the chairmanship of Programme Coordinator. The Programme Coordinator will be solely responsible for entire selection process.

In this regard you are requested to select the active NSS volunteers in the light of guideline of Govt. of India as per the allocation stated below who have not taken part in any adventure camp before. Detail guideline received from Govt. of India is stated below for kind perusal at your end. **During the selection of NSS volunteers for Adventure Camp following instruction (Stated below) may strictly be adhered.**

1. The NSS volunteers selected for this camp should be physically fit and be able to undergo hard adventurous activities. (Every NSS volunteers must bring medical fitness certificate from recognized medical Officer)
2. Every NSS volunteers must carry an indemnity bond form.
3. Every NSS Volunteers must carry a bonafide NSS volunteer ship certificate.
4. Every NSS volunteers must carry sufficient woolen Garments (minimum one pull over/ Sweater and Trekking shoes)
5. The NSS volunteers & Programme Officer who have already attended any National Level Adventure Programme should not be repeated.
6. The NSS Volunteers selected must be from Graduation level and not from +2 School level.
7. The maximum number of selected NSS volunteers should not be more than two from one Institution.
8. Selection will be done in consultation with the State Govt.
9. Every volunteers must carry the sufficient woolen garments(minimum one pull- over/ sweater & trekking shoes)
10. A pair of track-suit, water bottle, sports shoes with socks will also be provided by this Office.
11. Programme Coordinator will constitute a selection committee for selection of NSS volunteers in this adventure Camp.

You are therefore requested to circulate the message under your jurisdiction and initiate early action from your end for selection of NSS volunteers.

कलकत्ता विश्वविद्यालय एनएसएस द्वारा डेंगू को लेकर निकाली गयी जागरूकता रैली में सीयू की डिप्टी रजिस्ट्रार व एनएसएस कोर्डिनेटर, सीयू डॉ. देवारती दास, एनएसएस के रिजीनल डायरेक्टर विनय कुमार, डिस्ट्रिक्ट नोडल ऑफिसर (कोलकाता) नूपुर राय, विभिन्न कॉलेजों के प्रिंसिपल, टॉलीवुड के कलाकार शामिल हुए

डेंगू पर जागरूकता के लिए सड़क पर उतरे कॉलेजों के छात्र

सन्मार्ग संवाददाता / कोलकाता : डेंगू के मामले लगातार बढ़ रहे हैं। डेंगू का प्रकोप देखते हुए कलकत्ता विश्वविद्यालय एनएसएस द्वारा शुक्रवार को एक जागरूकता रैली निकाली गयी। विभिन्न कॉलेजों के छात्र-छात्राएं इस रैली में शामिल हुए तथा डेंगू पर सचेतना का संदेश दिया। यह रैली रासबिहारी के देशबंधु कॉलेज फॉर गर्ल्स से शुरू हुई जहां विभिन्न कॉलेजों से छात्र-छात्राएं एकत्रित हुईं। एनएसएस से भारी संख्या में वॉलंटियर्स ने इस रैली में हिस्सा लिया। यह विभिन्न रास्ते से होते हुए गरियाहाट के बासंती देवी कॉलेज तक जाकर खत्म हुई। इस रैली में सीयू की डिप्टी रजिस्ट्रार डॉ. देवारती दास, एनएसएस के रिजीनल डायरेक्टर विनय कुमार, एनएसएस के डिस्ट्रिक्ट नोडल ऑफिसर (कोलकाता) नूपुर राय, विभिन्न कॉलेजों के प्रिंसिपल, टॉलीवुड के कलाकार शामिल हुए।

कॉलेजों को किया गया है अलर्ट : कलकत्ता विश्वविद्यालय की तरफ से कॉलेजों व हॉस्टल सभी जगहों पर गाइडलाइन दे दिया गया है। डेंगू को लेकर पूरी तरह से सतर्क रहने के लिए कहा गया है। क्या - क्या करना है, क्या नहीं करना है, इसे विस्तार से कॉलेज प्रबंधनों को बता दिया गया है।

লার্ভিসাইট দেওয়া হচ্ছে ড্রেন ও রেলের ট্র্যাকে মশার সুড়ঙ্গপ্রবেশ, পাতালে চলছে স্প্রে

স্টাফ রিপোর্টার: জমা জল যেখানে, ডেঙ্গুর মশা সেখানে। শহরজুড়ে ডেঙ্গুর বাত্বস্বাদুছে চিন্তা বেড়েছে পাতালপথেও। দিনে যেখানে গড়ু প্রায় নাড়ে ছ'মকের বেশি যাত্রী যাতায়াত করেন, শহরের সেই লাইফলাইনও হতে পারে ডেঙ্গুর মশার আত্মদপন। চিহ্নটি যে শুধু বাহীনের মাঝেই এসেছে তেমনি নয়। এখানে যেটেকর্ভাদের মনেও। তাই রেক থেকে কারশেড পরিষ্কার—নিয়মিত চলছে জোরকসমে। মেট্রো কর্তৃক জানাচ্ছেন, টানেলে থাকা ড্রেন এবং বেঙ্গের ট্র্যাকে মশার লার্ভা জন্মানো অস্বাভাবিক নয়। তাই তা আটকাতে লার্ভিসাইট স্প্রে করা হচ্ছে সেখানে। সপ্তাহে একদিন করে তা করা হয়। এছাড়া রোক শেব মেট্রো চলে যাওয়ার পর প্রতি স্টেশনে মশা মারার রাসায়নিক স্প্রে করা হয়। থাকে ব্লাস হয় আতি আডাল্ট মসপুটিও। নোয়াপাড় এবং কবি সূক্তার কারশেডে জমা জলে বা ড্রেন যাতে মশার লার্ভা না জন্মায় সে কারণে ফনিং হয় সেখানে। অস্বাভাবিক কন্ডিশনের জামিয়ে দেওয়া হয়েছে, রেকের মেরন পরিষ্কার রাখতে হবে, তেমনিই পরিষ্কার-পরিষ্কার রাখতে হবে যেখানে রেক থাকে, সেই কারণেও। ট্রেন মেশার জন্য জল জামিয়ে রাখা যাবে না জ্ঞানে। নিয়মিত পরিষ্কার করতে হবে দুই লাইনের মাঝে বাসার ক্ষেত্রও। কারণ চিকিৎসকরা জানাচ্ছেন, ডেঙ্গুর মশা জন্মায় জমা জলেই। আর সড়কে থাকা ড্রেন এবং ট্র্যাকে জল জমে থাকে। তাই তা নিয়মিত পরিষ্কার করার দায়বাহী দেওয়া হয়েছে। কর্তৃপক্ষের নির্দেশ মেনেই রেক

আড়ার কারণে তাতে দেওয়া হচ্ছে মশা মারার স্প্রে। নিয়মিত জল ন্যাকড়া দিয়ে "এরোট ওয়াশ" করানো হচ্ছে। আধিকারিকরা জানাচ্ছেন, নোয়াপাড়া কারশেডে মাঝেমাঝেই সাবগ্রাইন্ড ডিজিট করাছে মেট্রোর মেডিক্যাল টিম। কোথাও কোনওরকম জল জমে থাকছে কি না তা দেখে আসছেন তারা। সেবা হচ্ছে পোকামাকড় মারার বিভিন্ন ওষুধ

পারে? মেডিসিন বিভাগের বিশিষ্ট চিকিৎসক অধিনায়ক বিশ্বাস বলেন, "এক হিসি জলেও ডেঙ্গুর মশা জন্মাতে পারে। কোথাও জল জমেতে দেওয়া যাবে না। তা মেট্রোর কারশেডই হোক বা রেক। নিয়মিত পরিষ্কার করতে হবে।" মেট্রোর মেরন জল জন্মানোয় আধিকারিক একলনা চক্রবর্তী বলেন, "মশা এবং অন্যনা পোকামাকড় মারার

ডেঙ্গু সচেতনতায় বাড়া নিয়ে কলকাতার পথে পড়ুয়ারা। —শুভাশিস দাস

DEPARTMENT OF ENGLISH-ACTIVITY REPORT

- **NATURE OF ACTIVITY: SPECIAL LECTURE SERIES**
- **TOPIC: *Translations in India, India in Translation: A Literary Perspective***
- **NAME OF SPEAKER: Dr Somjyoti Mridha, North Eastern Hill University**
- **DATE: 2.12.22**
- **PLATFORM: ONLINE AND OFFLINE**
- **EVENT DETAILS:** The online event was streamed for the students on the screen of the College Auditorium (Ishwarchandra Sabhgriha). Dr Mridha spoke about the history of translation studies in India and how crucial it was to translate regional texts to English. He also discussed the problems a translator might face in translating a regional text to English owing to the unique inflections and nuances of a language. The talk ended with an interactive session and a vote of thanks.
- **NO. OF PARTICIPANTS: 35**

ACTIVITY REPORT

1. **Name of the Department** : Department of Sociology
2. **Title of the activity** : **Students Debate 2022**
3. **Topic** : **Impact of Bureaucracy on Organization**
4. **Date** : 2.12.22
5. **Time** : 1:30 pm
6. **Participants** : 17 students and teachers
7. **Summary of event** : Department of Sociology arranged a debate on the topic: **Impact of Bureaucracy on Organization** dated 2.12. 2022. All students of semester 3 had participated on the programme. Bureaucracy within organization has both positive and negative effects, fueling ongoing debate. Students who spoke for the motion were of the opinion that, a structured bureaucratic system provides stability and clear hierarchies; ensuring tasks are carried out efficiently. It establishes standardized procedures, reducing the likelihood of errors and promoting accountability. Conversely, critics argue that excessive bureaucracy can stifle innovation and hinder adaptability. Rigidity in decision making process may lead to slow response, hindering the organization's ability to navigate dynamic environments. Bureaucratic structure often fosters a top down approach limiting employee autonomy and potentially lowering down creativity. Moreover, the bureaucratic red tape can result in cumbersome administrative burdens, diverting resources from core activities. Critics contend that this can create a culture of complacency and hinder employee motivation. In conclusion, the impact of bureaucracy on organization is a nuanced debate. While it provides stability and order, an excess of bureaucratic elements can impede agility and innovation. Striking a right balance is crucial for organizations to

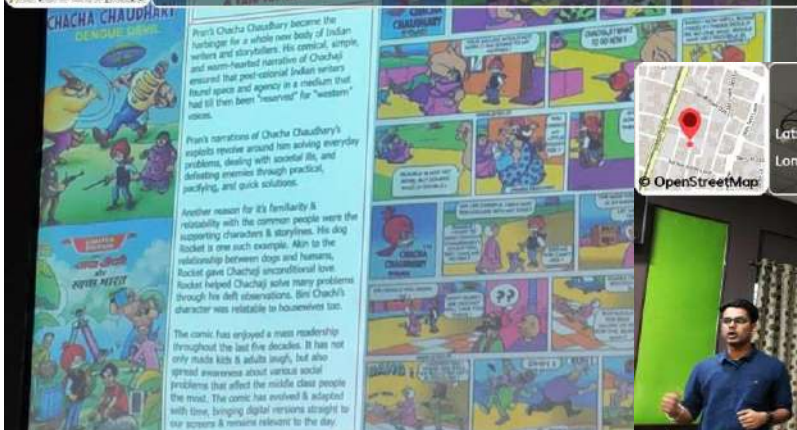

maintain efficiency while fostering a dynamic and adaptive environment.

7. **Number of Participants** : 130 students and teachers
8. **Summary of lecture/presentation** : The Employability, Placement and Career counselling subcommittee under the guidance of Internal Quality Assurance Cell of Vidyasagar Metropolitan College organises Career Counselling

lecture series on a regular basis. As a part of the aforementioned programme an initiative was taken to invite Mr Zulfi Ali Bhutto, Business Head Channel (Dealership) Strategy and Development: India and SAARC Region, Steelcase was invited to speak on “Managing Career choices in VUCA world”. The event was conducted in collaboration with Pune Institute of Business Management, a premier business school of India. Mr Bhutto primarily spoke on the need for skilling, reskilling and upskilling in a world which has, is and will be witnessing changes in a number of dimensions and in huge proportions over the next 6-7 years. He focussed on how the availability, accessibility, affordability and authority over information may change the life of the students especially in terms of their career choices and success in professional life. According to him adoptability and adaptability will be the key characteristics which the students need to inculcate in them in order to climb up the higher echelons of the society. The lecture was interactive and discussion oriented. The enjoyability of the students could be understood by their participation. The speaker was so happy that he distributed chocolates among the students who contributed in the discussion. The faculty members of the college also enjoyed the presentation to the core.

ACTIVITY REPORT

1. **Name of the Department** : Department of Zoology
2. **Title of the Activity** : Zoological excursion at Central Sericulture Research Institute, Murshidabad
3. **Date** : January 05, 2023
4. **No of participants** : 5 students and 1 teacher
5. **Short Description of the event** :

An Educational tour was organized by Department of Zoology, Vidyasagar Metropolitan College, Kolkata to Central Sericulture Research Institute, Murshidabad where the silk industry has bloomed, flourished and reached its pinnacle.

The tour comprised of 5 students of B.Sc. Vth semester and accompanied by one faculty member, Dr. Parbati Chatterjee and one non-teaching staff, Sri Mrityunjoy Ganguly from Dept. of Zoology. All the students were directed to gather at Kolkata station at 6 AM on 5th January 2023. Journey starts on 6.50 AM and arrived at Berhampore at 10.15 AM. They arrived sericulture Institute at 10.30 AM. They provided us all the necessary information regarding construction of Rearing House, incubation of eggs and brushing, arrangement of Rearing stands, types of rearing trays, disinfection, Bedchanging during each moult, advantages of branch/ shoot feeding, mounting and use of chandrika for cocooning, harvesting of cocoon, grainage (storage and collection of cocoons) etc. After fruitful discussion and on-site visit we returned to Kolkata on that day by Hazarduari express at 9.30 PM.

ENVIRONMENTAL CONSCIOUSNESS AND SUSTAINABILITY SUBCOMMITTEE
IN COLLABORATION WITH
HUMAN VALUES AND PROFESSIONAL ETHICS SUBCOMMITTEES
ACTIVITY REPORT 2022-23

- **NATURE OF ACTIVITY: Harnessing the Power of the Mind-- Workshop on Mental Health and Wellbeing**
- **SPEAKER: Arup Ghosh, Consultant Life Coach and Hypnotherapist for Vidyasagar Metropolitan College**
- **DATE: 16/01/23**
- **EVENT DETAILS:** Arup Ghosh sir interacted with students from all semesters and streams, sensitizing them on the need for mental health and the importance of seeking help without the fear of stigma usually associated with counselling. He discussed common problems faced by students and encouraged them to reach out to him when in distress. He also taught a specialized relaxation technique and guided the participants through a meditation that helped them feel more stable and focused. Teachers and Mentors also participated in the workshop to learn better ways of helping their mentees and encouraging them to seek counselling when required.
- **NO. OF PARTICIPANTS: 90+**

HUMAN VALUES AND PROFESSIONAL ETHICS SUBCOMMITTEES

ACTIVITY REPORT 2022-23

- **NATURE OF ACTIVITY: 1-1 Counselling sessions for students requiring help**
- **DATE:** 2022-23
- **DETAILS:** As a follow up to the Mental Health and awareness workshop conducted in the college in January 2023, multiple one-one counselling sessions were organized for students with critical mental health conditions requiring urgent help. Arup Ghosh, Consultant Hypnotherapist and Life Coach of Vidyasagar Metropolitan College worked with the concerned students, helping them develop better coping mechanisms to combat their present circumstances. The concerned students were benefited by the counselling sessions.
- Issues faced by students ranged from depression, panic attacks, relationship problems, inability to focus to suicidal tendencies and self-abuse as well as violent behaviour with family members. 1-1 sessions were organized for the students requiring help on the following days:

ACTIVITY REPORT 2022-23

- **NATURE OF ACTIVITY: Special Lecture on UNDERSTANDING THIRD GENDER IN INDIA: CONCEPTS AND PRACTICES**
- **ORGANISED** by Internal Complaints' Committee, Students' Activity Subcommittee and Human Values and Professional Ethics Subcommittee
- **SPEAKER: DR. LOPAMUDRA SENGUPTA, BANGABASI COLLEGE**
- **DATE: 6/2/23**
- **EVENT DETAILS:** Dr. Sengupta spoke about the difficulties faced by people belonging to the third gender in India as well as prevalent ideas and concepts regarding the LGBTQ community and busted many myths. She encouraged students to ask questions and speak out regarding their concepts about LGBTQIA and tried to sensitize them regarding the difference between sex and gender. It was very crucial gender awareness session that changed the way the listeners thought about homosexuality and heterosexuality as well as the fluidity of gender choices.

Event – Felicitation of Dr. Sanjay Pramanick on receiving D.Lit. from Ranchi University and Prof. Arunabha Mishra for serving the college as Teacher-in-Charge.

Date – 13-02-23.

Place: Ishwarchandra Sabhakaksho, Vidyasagar Metropolitan College.

Number of participants: 50

It was a special day for the members of the department of Bengali, as they were proud of their colleague Dr. Sanjay Pramanick (Associate professor, Bengali dept.) who recently received the title of D.Lit. from Ranchi University. On behalf of the Bengali Department, the members extended their sincere greetings and congratulations to him. He was felicitated by the department.

On this occasion, a special honour was presented to the Teacher-in-Charge of the College, Prof. Arunabh Mishra.

Smt. Manimala Pal, a meritorious student of the department, performed music on the occasion. She was felicitated by the department.

Professor Sarjit Sardar, Coordinator of IQAC of the college, delivered an inspiring speech on this occasion.

Dear Mr. Sardar
Vidyasagar College, Kolkata

Greetings from TCS!

This is in continuation of our interaction over phone w. r. t the mobilization of students and implementation of the TCS Youth Employment Program (YEP).

Training Program details

YEP training will be of about 100 hours (90+10), covering standard modules prepared by TCS on Business Skills, Communication Skills, Quantitative Aptitude, Logical Reasoning, Interview Skills, Resume Writing to name a few.

This would be followed by trainings on specific domains. Additionally, trainees will also be guided to take up Free Self-Learning Courses such as those offered by TCS iON portal.

Cost of Training

Free / None

Training Duration and Mode

Training can be delivered in these modes:

- Digital: 45 working days, 2 hours/day, Mon – Sat.
- Physical: 15-23 working days, 4 to 6 hours/day, Mon – Sat.

Prerequisites to commence the training program

Training Batch Count: Minimum of 50 students per batch

Training Batch composition:

- Socially Weaker Section: Minimum 50% of the batch (SC/ST)
- Economically weaker section: Annual family income less than 6 Lakh per annum
- Person with Disability
- Female Candidates

Eligibility

- Any non-engineering graduate fresher from arts, commerce, or science backgrounds (BTech and BE are not eligible)
- Age: Should not exceed 28 years of age
- Mode of Education: Regular. Distance Education is not allowed
- Year of Passing: 2021, 2022, 2023
- Those pursuing/completed masters in full time mode are Not Eligible
- Availability of Smartphone/Tablet/Laptop/Desktop with proper internet connectivity for digital training

Certificate

Beneficiaries will receive a training completion certificate on having the requisite attendance and assessment scores

Employment Opportunity

All YEP candidates will get at least two opportunities:

- Apply for TCS job through TCS TAG enabled test
- Apply for jobs in other companies and TCS through TCS National Qualifier Test (NQT)
- Other recruitment drives

Once the dates of commencement of the training is finalized at your end, I'll share two templates for sharing the data.

ACTIVITY REPORT

1. **Name of the Department** : **Department of Physiology**
2. **Title of the activity** : **Field Study Report- an ergonomic study on the onset of musculoskeletal disorders among the workers engaged in heavy load handling at the hotels of Gangtok, Sikkim**
3. **Date** : **24th March – 29th March, 2023**
4. **Number of Participants** : 26 students, teachers and non-teaching staff
5. **Summary of Activity** :

The study was carried out among the workers involved in heavy load handling at the Hotels of Gangtok, Sikkim. The purpose of the study was to bring to the forefront the contributing risk factors that lead to the onset of musculoskeletal disorders (MSDs) amongst these workers. The study was conducted among 20 male randomly selected hotel workers engaged in lifting and carrying heavy load in the hotels of Gangtok, Sikkim. Only those having a minimum experience of at least three years were selected for this study. The physical parameters and body composition of the subjects were analyzed. A comprehensive questionnaire study was carried out to ascertain the onset of MSDs. The physical activity level and physiological parameters were assessed. The handgrip strength was also taken into account during the study. The subjects who participated in the study belong to the informal sector. Consequently, they are not entitled to leave benefits and other privileges. Moreover, as they hail from the poor socioeconomic strata, so more work provides them with the opportunity to earn more. Therefore, they indulge in strenuous load handling tasks for 12 hours a day and 7 days a week. It was further found that they have an average experience of about 12 years. Thus so many years of hardship for prolonged duration has definitely taken a huge toll on their physical and mental health. The results revealed that the tasks performed by these hotel workers are extremely strenuous with many of them complaining of some sort of discomfort. Awkward working postures with lifting, frequent bending and twisting of different body segments lead to pain affecting the knees and low back. The present study brings to the forefront the pertinent reasons behind the gradual onset of MSDs amongst these hotel workers. However, scarcity of alternative jobs in such hilly terrain where tourism is the primary earning source, compel them to remain in their profession. Therefore, it is imperative to reduce the burden of causative factors of MSD. Appropriate recommendations have been suggested for the holistic improvement of these hapless workers.

ACTIVITY REPORT
DEPARTMENT OF HISTORY

Name of the Department	:	Department of History
Title of the activity	:	Special lecture
Topic of Lecture	:	"Museum and Archives
Date	:	5 th April 2023
Time	:	2.30 p.m
Participants	:	27 Students
Speaker's Profile	:	Dr Ananda Bhattacharya did his masters in History and Ph.D from Department of History, Jadavpur University. He retired as Assistant Director of West Bengal State Archives. He has large number of books from eminent publishers.
Synopsis of the lecture	:	Archives in Proper perspective: Its Management and system of Record Keeping In ancient times, before the art of writing was introduced in India, record of thought or events was kept by memorizing. Generally record was kept by signs, drawings, pictures or engravings on a variety of clay, wood, stone, rock-wall, caves, leaves or animal skins. The system of recording ideas and incidents changed with the progress of civilization as alphabets and writing materials were properly introduced. Archival institutions in Europe probably had their origins in the ancient Greek civilization. It

was in 1302 that the first Archivist was appointed in Bologna for weeding of papers. It is also said that from Italy the idea of archives administration travelled to England. In 1578 a State Paper Office was established by Queen Elizabeth. France was not lagging behind and it was in 1790 the archival institution was named the Archives Nationales of Paris. The United States Government established a National Archives by the Act of 19 June 1934. Although the modern concept of archives keeping travelled from England to India during the time of the East India Company, yet it will be not wrong to say that India had already known the problems and had tried to solve them much earlier than European Countries. But the Record office existed in India during Buddhist times. The “Arthasastra of Kautilya (cir.300B.C.), which may be called the Imperial Code of Governance of the Early Mauryas , is such a remnant”. During the middle ages, the Muslim rulers in India used to have record repositories. The royal household establishment was divided into thirty-six Departments known as *Kar-khana*. The *Akbernama* gives a description as to how Akbar had established a Record Office in 1574 on the advice of Abul Fazl who himself made use of the records preserved there for writing his book *Akbernama*. Maintenance of records also may be gathered from *Ain-I Akbari*. It was practically after the battle of Buxar (1764) the present day Archival system came into being but with major changes both in structure, technology, management and system of record keeping. A General Record Office was established at Fort William. The East India Company records were divided into pre-Mutiny and post Mutiny records with some modifications. Another major break through was noticed in the system of record keeping when the H. L. Smith Committee placed some proposals. The system of record keeping and its management is being followed even during the post-colonial period.

ACTIVITY REPORT

- 1. Name of the Unit** : NSS Unit
- 2. Title of the activity** : Thalassemia Awareness and Screening Programme
- 3. Date** : 06 April 2023
- 4. Time** : 02:00 pm to 5:00 pm
- 5. Venue** : Iswarchandra Sabha Kaksha of Vidyasagar Metropolitan College
- 6. No of participants** : NSS Volunteers and students 125, Teacher – 6
- 7. Short description of the event:**

The NSS Unit of Vidyasagar Metropolitan College, in collaboration with the Thalassemia Control Unit of Dr. B.C. Roy Post Graduate Institute of Pediatric Sciences at 111, Narkeldanga Main Road, Kankurgachi, Kolkata– 700054, organized a free 'Thalassemia Awareness and Screening Programme' on 6th April 2023, from 2:00 pm to 5:30 pm at the Iswarchandra Sabha Kaksha of Vidyasagar Metropolitan College. One hundred twenty-five students and NSS volunteers, along with six teachers from our college, participated in this awareness programme. Out of the 125 participants, 111 blood samples were collected for the Thalassemia test. Among the 111 samples, 101 respondents were normal, 6 respondents were HbE carriers, and 4 respondents were Beta Thalassemia carriers. Necessary steps were taken thereafter.

Sub: Thalassaemia Screening Report of Vidyasagar Metropolitan College dated 06-04-2023

Sir/Madam,

Thalassaemia Awareness & Screening Programme has been organised in your college on 06-04-2023. According to the result of this screening programme 101 (One Hundred and One) respondents are Normal, 6 (Six) respondents are HbE Carrier and 4 (Four) respondents are Beta Thalassaemia Carrier.

We are requesting you please inform the persons who are carrier, their both parent and sibling should attend in your organisation for post test counselling and family screening programme or attend Thalassaemia OPD (Tuesday and Friday 10:00 am to 01:00 pm) as early as possible. Please arrange family counselling and screening programme in your organisation as early as possible.

A list of Names of the respondents who are screened on that day is enclosed herewith.

Thanking you,

Your sincerely,

Dr. Paban Kumar Chaudhuri,
Medical Officer,
Thalassaemia Control Unit,
Dr. B. C. Roy Post Graduate Institute
of Paediatric Sciences, Kolkata.

ENVIRONMENTAL CONSCIOUSNESS AND SUSTAINABILITY SUBCOMMITTEE

IN COLLABORATION WITH

HUMAN VALUES AND PROFESSIONAL ETHICS SUBCOMMITTEES

ACTIVITY REPORT 2022-23

- **NATURE OF ACTIVITY: BEST OUT OF WASTE COMPETITION AND STUDENTS' SEMINAR TO COMMEMORATE EARTH DAY**
- **ORGANISED** by Environmental Studies and Environmental Consciousness and Sustainability Subcommittee
- **DATE:** 24/4/23
- **EVENT DETAILS:** Students from different semesters and streams created beautiful art and items from waste materials in a bid to create further environmental awareness and sensitization regarding proper disposal of waste and reuse of non-biodegradable materials in innovative ways. The creations by students from waste materials was judged and winners declared to enthruse participation in further such competitions and to celebrate innovative thought and creativity. Students also presented papers on multiple subjects as commemoration of Earth Day, reflecting on the importance of protecting the biodiversity of our planet and its ecology.
- **NO. OF PARTICIPANTS:** 85+

ACTIVITY REPORT
DEPARTMENT OF HISTORY

Name of the Department	:	Department of History
Title of the activity	:	Special lecture series
Topic of Lecture	:	Unish Shatak: Kichu Kotha
Date	:	8/5/2023
Participants	:	24 participants
Speaker's Profile	:	Dr Susmita Saha, Associate Professor, Department of Bengali Vidyasagar Metropolitan College.
Synopsis of the lecture	:	19 th century- few words Society, literature, country, time- everything is constantly changing – certain centuries become especially important in the process of change. Nineteenth Century is one such century. The 19 th century was an age of Renaissance – just as there was a parallel current of conservation to block the way for the new. It is better to say that the 19 th century was actually had a series of such parallel thought doctrines and disagreements. In the age of transition we found poet Iswarchandra Gupta who can be called the last of the Ancients. As the first amongst the moderns” self-contradiction was seen in Ishwar gupta’s poetry which is the tendency of 19 th century. In the 19th century,

the practice of prose writing began through Fort William College. Raja Rammohan Roy and Ishwarchandra Vidyasagar appeared in this century. They had come forward in various social reform movements. Bethune Saheb and William Bentinck were also involved in the work of women's education, suppression of sati-immolation, introduction of widow marriage etc. Contemporary newspapers played an important role to spread the steps taken by them.

Michael Madhusudan Dutt was a remarkable man of the 19th century, whose powerful pen created a revival of the ancient epic poem - the 'Meghnadavadh Kavya'. He was always active on the issue of women's liberation. However, there were many thorns along this path. Ambiguous people were, still are, always will be - so will the lamp stop burning! Never - we have the next generation of writers as the successors of those luminaries. This is our great achievement.

ACTIVITY REPORT

1. **Name of the Department** : Department of Sociology
2. **Title of the activity** : Special lecture
3. **Topic of Lecture** : The use of statistics in sociology and Graphical Techniques
4. **Date** : 9th, 11th, 13th May 2023
5. **Time** : 1:30 pm
6. **Participants** : 7 students
7. **Speaker** : Dr Mohsin Islam
Department of Mathematics
Vidyasagar Metropolitan College
8. **Summary of the event** :

Special classes on statistics and graphical techniques are crucial as they enhance analytical skills, enabling individuals to interpret and communicate data effectively. These classes provide practical tools for decision making, helping in various fields such as business, research and healthcare. Understanding statistical methods and graphical techniques empowers individual to make informed decision based on data fostering a data driven mindset in problem solving.

As per CU CBCS syllabus students of 6th Semester had to undertake statistical techniques as one of their SEC papers. It included topics like frequency distribution, graphical techniques (pie chart, histogram, bar graph, less and more than ogive), and central tendency. As descriptive statistics help summarize and describe data providing an overview of social trends, inferential statistics enable students to make prediction or generalization about a population based on sample as such we requested Dr. Mohsin Islam of Mathematics Department of Vidyasagar Metropolitan College to take few of our statistics classes as because it will enable students to develop analytical skills and interpret data effectively. Students had highly benefited from his lecture.

ACTIVITY REPORT

1. Name of the sub-committee : Research Sub- Committee
2. Title of the activity : New Education Policy-2020
3. Date : 10/05/2023
4. Time : 2.30 p.m.
5. Speaker's profile : Dr. Arijit Ghosh
Designation: Assistant Professor
HOD, Department of Business
Mathematics and Statistics,
St Xavier's College (Autonomous),
Kolkata.

Qualification: M.Sc., Ph.D., MBA,
GDOR,
Qualified UGC NET (JRF)

Dr. Partha Ghosh

Associate Professor in Physics at
Bangabasi College

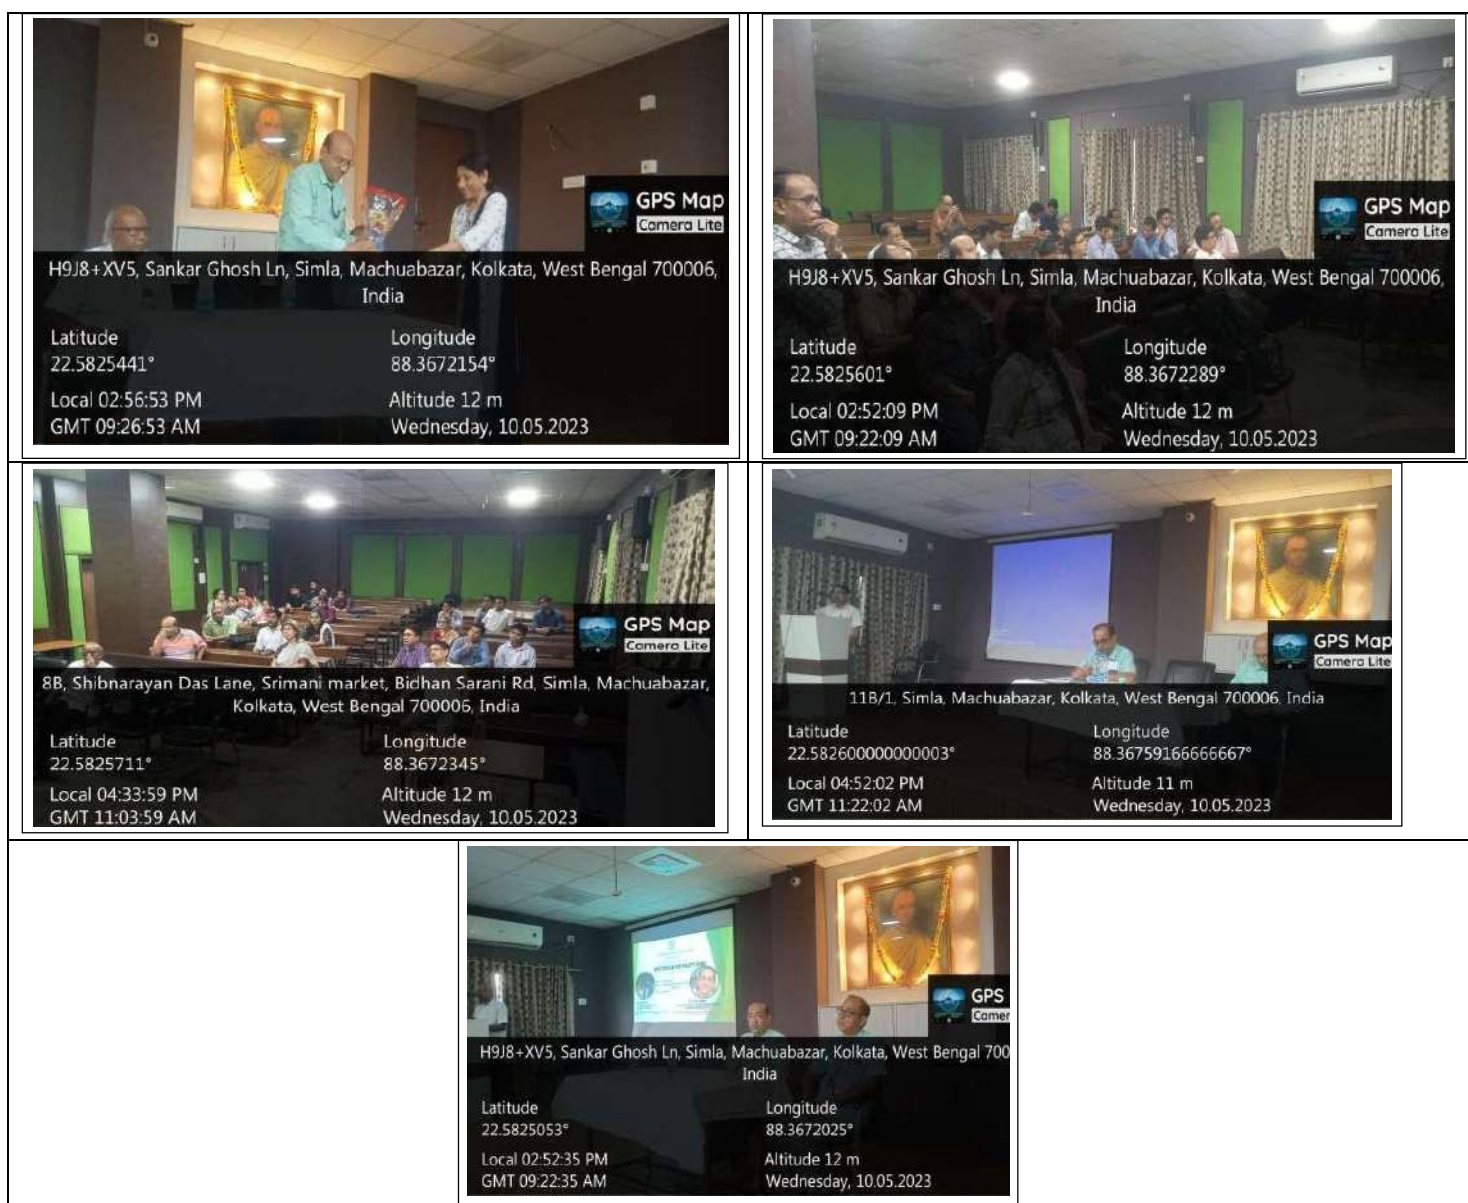

5. Summary of the lecture/presentation(s):

Education is an important pillar of any society, fundamental to achieving full human potential and developing an equitable and just society for promoting national development. The new **National Education Policy-2020 (NEP-2020)** envisions to bring about significant reforms in higher education to cater to the changing landscape of knowledge and create global standards of education.

The implementation of NEP-FYUP in affiliated colleges would be effective when the positive aspects of it would be appreciated by all stakeholders. In spite of many shortcomings of the implementation procedure and dearth of facilities in the colleges, it would be our duty to fight against the odds and work upon it together. The seminar stressed upon the nitty gritty of curriculum design, merger of colleges, tie-ups with university departments and industry, replacement of the conventional General Course of studies by skill based multidisciplinary majors, student counselling, projects & internships... and

almost all other related aspects. It was noteworthy to mention the immediate steps that may be undertaken by higher education institutions to implement the program successfully. A variety of vocational courses in all disciplines, as Arts & Humanities, Pure and Life Sciences as well as Commerce & Management were discussed. The seminar concluded with thanks to the organizers and a oath to reach out to the grass root level to popularise scientific temperament of teaching learning.

Vidyasagar Metropolitan College
Employability Enhancement Counseling and Placement Cell
In association with
BRAINWARE UNIVERSITY

Brainware University, established in 2016 as a UGC-recognized, private State University in West Bengal, having more than 55 UG, PG, Ph.D., and Diploma Programmes, with exquisite and commendable placement aid and assistance on its state-of-the-art, green and ragging-free campus. During the six years of journey, Brainware University achieved the No. 3 position in the Eastern region by MIC-IIC and was recognised as “Promising Brand” under the category of Private University by ARIIA.

As a part of the Social Responsibility Drive, Brainware University will conduct the following activities for the final year UG students, appearing for the Final Examination in 2023, who are keen to establish themselves in the professional fields in the near future.

PLACEMENT BOOT CAMP: The Training and Placement team would conduct a whole-day workshop in the college campus on soft skills, and grooming sessions for interview preparation keeping in mind the present job opportunities and industry demands. After a span of 10-15 days from the completion of the said workshop, there will be a MOCK INTERVIEW SESSION in a pseudo recruitment drive environment at Brainware University Campus. All the students who will participate in both the sessions will be awarded with the PARTICIPATION CERTIFICATE issued by Brainware University. Students who will qualify in the Mock Interview Session with a minimum score of 75% (as per the industry benchmark) will be eligible to participate in the MEGA JOB FAIR, with a very nominal registration fees (within a range of Rs. 100.00), after the completion of their Final Examination. The job fair will be held at Brainware University campus.

CAREER KATHA: The Final Year students will have to attend an insightful seminar on career options. It will elaborate the complete update on the career selection know-how with guidelines. **Benefits of CAREER KATHA:** Participants will be able to know about the various career options after completing Graduation. Participants will be able to learn about West Bengal Student Credit Card Scheme, and Swami Vivekananda Merit-CumMeans Scholarship.

All the events, except the Registration Fees for the Mega Job Fair, will be complementary for the students.

3. **Collaboration** : **Brainware University**
4. **Date** : **17th May, 2023**
5. **Time** : **2:30 p.m**
6. **Speaker's profile** : **Mr. Siddhartha Ghosh - Sr. Manager Corporate Relations**
Dr. Alok Kumar Chowdhury
Associate Professor and
Head Department of Psychology
Mr. Goutam Banerjee
Assistant Professor & HOD
Department of Multimedia
Mr. Amitava Gupta
Manager - Student Relationship
Mr. Krishanu Banerjee
Manager - Student Relationship
7. **Number of Participants** : **85 students and teachers**
8. **Summary of lecture/presentation** :

The session was organised with a profound sense of purpose—to guide the students on a journey of self-discovery and empowerment. The speakers initiated the discussion by saying that whether a seasoned professional seeking a change or a fresh graduate embarking on his/her career path, it is believed that the principles discussed will resonate with each of them. Emphasis was placed on the significance of self-awareness in the pursuit of a fulfilling career. Understanding the strengths, weaknesses, passions, and values lays the foundation for informed decision-making. Through introspection and self-assessment, the students can uncover hidden talents and align their aspirations with their innate abilities. In today's dynamic world, opportunities abound across various industries and sectors. The students should take the time to research and gain insights into different professions, considering factors such as job outlook, growth potential, and personal interests. Setting clear and achievable career goals is paramount to success. By establishing SMART goals—specific, measurable, attainable, relevant, and time-bound—we provide ourselves with a roadmap for progress. Whether it's advancing within the current field or venturing into uncharted territory, clarity of purpose will empower them to navigate challenges with confidence. Yet in pursuit of success, they must not overlook the importance of continuous learning and skill development. The world is evolving at an unprecedented pace, and adaptability is the key to staying relevant.

Embracing opportunities for growth, whether through formal education, professional certifications, or hands-on experience. They must remember, every setback is an opportunity to learn and grow stronger. The speakers also warned that, the path to career fulfillment is not without its obstacles. Fear of failure, societal expectations, and external pressures may cloud our judgment and hinder our progress. In times of doubt, they must remember that resilience is the antidote to adversity. Seek support from mentors, peers, and career counselors who can offer guidance and encouragement along the way.

She has also taught bank employees pursuing JAIIB and CAIIB examinations.**
7. **Number of Participants** : **105 students and teachers**
8. **Summary of lecture/presentation** :

Investing is not just about making money; it's about securing our financial futures, achieving our dreams, and creating a more stable society. However, despite its significance, investment awareness among young people often remains low. Many youths are not adequately informed about the various investment opportunities available to them, nor are they educated about the potential risks and rewards associated with investing. One of the primary reasons for this lack of awareness is the absence of formal education on financial literacy and investment strategies in our schools. While young people are taught subjects like mathematics, science, and literature, they are often left in the dark when it comes to understanding concepts like compound interest, diversification, and risk management – all of which are crucial components of successful investing. Furthermore, the rise of consumerism and instant gratification in today's society has led many young individuals to prioritize short-term spending over long-term financial planning. The allure of flashy gadgets, trendy clothes, and luxurious experiences often overshadows the importance of saving and investing for the future. So, what can we do to raise investment awareness among the young minds of our society? Firstly, it is imperative to integrate financial literacy education into school curriculums from an early age. By teaching students the fundamentals of budgeting, saving, and investing, we can empower them to make informed financial decisions throughout their lives. Secondly, we must leverage technology and social media platforms to disseminate investment-related information in a manner that resonates with young people. Utilizing interactive apps, informative podcasts, and engaging social media content can make the topic of investing more accessible and relatable to the younger generation. Moreover, we

must encourage open conversations about money and investing within families and communities. By breaking the taboo surrounding financial discussions and sharing personal experiences and knowledge, we can help young individuals develop a healthy attitude towards money management and long-term planning. Additionally, providing mentorship and guidance from experienced investors can be invaluable in nurturing the next generation of savvy investors. By connecting young people with mentors who can offer advice, share insights, and provide support, we can help them navigate the complexities of the financial markets with confidence and competence. In conclusion, raising investment awareness among the young minds of our society is not only a matter of individual prosperity but also a means of building a more economically resilient and prosperous society as a whole. By prioritizing financial literacy education, leveraging technology, fostering open dialogue, and providing mentorship, we can empower the youth to take control of their financial futures and embark on the path towards long-term wealth creation and financial independence.

ACTIVITY REPORT
DEPARTMENT OF HISTORY

Name of the Department : Department of History
Title of the activity : Educational Tour-
State Bank Archives & Museum
Date : 18/5/2023
Participants : 9 participants
About the Museum : The State Bank Archives & Museum opened on 13 May 2007, is a treasure trove that holds in its custody the rich documentary heritage as well as numerous related relics and memorabilia that have a direct scent of this great institution in its long and enduring legacy. It has three distinct wings: one the precious holdings of the Bank for the benefit of scholars and research; two, a rapidly growing collection of rare books and journals of the 19th and 20th centuries and three, a display of the rich legacy of the Bank. Together it captures the genesis, growth, and fulfilment of this banking odyssey. It focuses on the transition of the Bank through the phases with the aid of original records and objects of historical interest.

ACTIVITY REPORT

1. **Name of the Department** : Department of Zoology
2. **Title of the Activity** : Visit To Natural History Museum in Pemayangtse Monastery, Pelling, Sikkim
3. **Date** : May 22 - 26, 2023
4. **No of participants** : 17 students and 3 teachers
5. **Short Description of the event** :

An Educational tour was organized by Department of Zoology, Vidyasagar metropolitan college, Kolkata to visit a natural history museum at Pelling which is a small town in the north-eastern Indian state of Sikkim. The tour comprised 17 students of B.Sc. IVth semester accompanied by faculty members, Prof. Damayanti Bakra and Prof. Madhusudan Saha from Deptt. of Zoology. All the students were directed to gather at Howrah station at 5 PM on 22nd May. We started our journey at 5.30 pm by Kamrup Express. We reached NJP station at 6.00 am. Then we started our journey by car and reached at Pemayangtse Monastery at 2 PM. There was a good collection of old items which includes some pictures, manuscripts, idols and statues. It was great experience for zoology students. Next day we went to visit bird sanctuary and other attractive locations. We returned to NJP on 25th May by car and then by train to Sealdah station on 26th May early morning.

Kolkata 700006
RA, Shib Narayan Das Lane
Kolkata 700006

Dear Dr. Nandy Pal,

Your proposal, dated 10.03.2023 requesting funds for organizing a national seminar on "75th Year of Independence: The Challenges and Opportunities before India in Contemporary Global Trade Scenario" under the theme of Azadi Ka Amrit Mahotsav by the Vidyasagar Metropolitan College in collaboration with Netaji Nagar College for Women on May 27, 2023 has been considered and an amount of Rs.40,000/- (Rupees forty thousand only) has been sanctioned by the ICSSR-ERC towards partial financial assistance for the above mentioned seminar.

The sanctioned grant in aid of Rs.40,000/- will be released in two installments, i.e.

- i) 1st installment Rs.35,000/-
- ii) 2nd installment Rs.5,000/-

We shall now require a formal request addressed to the Director, ICSSR-ERC in a letter head signed by you, in order to release the amount of Rs.35,000/- towards the first installment of the sanctioned amount indicating name of the payee with bank details. Disbursement of the final instalment of funds shall be made on receipt of the seminar papers/ proceedings, audited statement of accounts and utilization certificate duly certified by the auditor. It is to be noted that the financial grant from the ICSSR-ERC must be mentioned and the Azadi Ka Amrit Mahotsav logo must be used in subsequent flyers, notices, banners and seminar proceedings. The ICSSR-ERC may send one or more observers from its office to attend the seminar.

Thanking you

Sincerely

Saibal Ka-1
Honorary Director
ICSSR-ERC

ACTIVITY REPORT

1. Name of the Department : Department of Economics
2. Title of the activity : National Seminar on “The Challenges and Opportunities before India in Contemporary Global trade Scenario”
3. Collaboration : Netaji Nagar College for Women
Indian Council of Social Science Research-
Eastern Regional Centre
4. Date : 27th May , 2023
5. Time : 10 p.m to 4:30 p.m
6. Report :

The National Seminar on “The Challenges and Opportunities before India in Contemporary Global Trade Scenario” Organised by Department of Economics Vidyasagar Metropolitan College in collaboration with Netaji Nagar College for Women.

The objectives of the seminar were to address the research questions like:

 - 1) What are the challenges before India in contemporary global trade scenario and the possible avenues to deal those so that trade remain the ‘engine of growth’?
 - 2) How will the trade policies be reshaped so that the conflict between economic growth and environmental degradation can be resolved?
 - 3) What are the reasons for India’s low integration into global value chains, especially in the manufacturing sector and why India has fewer instances of global value chains specific policies which lead to the encouragement of new firms?
 - 4) How governments are facing new regulatory challenges in managing issues arising from digital disruption and ensure that the opportunities and benefits from digital trade can be realized and shared inclusively?

1. The Seminar began with the introductory speech on the theme of the seminar by Dr. Suparna Nandy Pal, Convener of the Seminar and Head of the Department of Economics, Vidyasagar Metropolitan College. In the inaugural session felicitation of the dignitaries who had graced the occasion was conducted by Dr, Bipul De, Head of the Department of Economics, Netaji Nagar College for Women.

The Honourable dignitaries present were:

 - Prof. Rajat Acharyaa, Department of Economics, Jadavpur University
 - Prof. Ranajay Bhattacharya. Head of the Economic Division, Indian Institute of Foreign Trade, Kolkata
 - Prof. Debashis Majumdar, Department of Economics, The Heritage College, Kolkata
 - Dr. Arghya Sarkar, Principal, Vidyasagar Metropolitan College
 - Dr. Anindita Majumdar, Convener, Academic Sub-committee, Netaji Nagar College for Women

Dr Arghya Sarkar, Principal of Vidyasagar Metropolitan College delivered the Welcome address.

2. The Session -1 was designated for two consecutive invited talks

The first speaker was Dr. Rajat Acharyaa, Professor, Department of Economics, Jadavpur University. The brief introduction of Professor Rajat Acharyaa was given by Dr. Soma Saha, Joint convener of the seminar and Associate Professor in Economics, Netaji Nagar College for Women. Professor Acharyaa’s topic of presentation was “Trade and Environment”. He explained lucidly and

interestingly the two way causations between international trade and the environment. How lax environmental regulation may lead to “perverse” comparative advantage through under-valuation of the environment, on the one hand; and larger trade shifts pollution load from one country to the other, on the other hand were nicely documented in his presentation with relevant data and evidences. Participants, especially students of different colleges participated enthusiastically in the question answer session on Professor Acharyaa’s insightful presentation. Our second guest speaker was Dr. Ranajay Bhattacharya. Head of the Economic Division, Indian Institute of Foreign Trade, Kolkata. Dr. Suparna Nandy (Pal), convener of the seminar and associate professor in Economics, Vidyasagar Metropolitan College, gave a short introduction on Professor Bhattacharya’s career and achievements. Professor Bhattacharya’s topic of presentation was “Global Value Chains and the Problem of Rules of Origin”. His lucid and insightful lecture was thoroughly enjoyed by each participants which was evident from their active participation in question answer session. The entire question answer session for both the invited lectures was conducted by Dr. Bipul De, convener and associate professor in Economics, Netaji Nagar College for Women.

3. The Post lunch session was for paper presentation by students, scholars and teacher participants of different colleges. This session was chaired by Prof. Debashis Majumdar, Department of Economics, The Heritage College, Kolkata. Dr, Debasish Joddar, joint convener and associate professor in Economics, Vidyasagar Metropolitan College, gave a brief introduction about Dr. Majumdar’s contribution in academics. There were six (6) selected scholarly papers to be presented. The researchers utilized this unique opportunity of presenting their research findings in front of the eminent academicians. Paper presenters got valuable suggestions from our respected chairperson of the session, Dr. Majumdar and other academicians regarding the scope of further improvement and /or expansion of their research papers. The post lunch session was very interactive and thought provoking.

4. The last session was the valedictory session where formal vote of thanks was given by Dr. Bipul De, convener and associate professor in Economics, Netaji Nagar College for Women and certificates were distributed among the paper presenters and participants.

We got excellent feedback from most of the participants regarding relevance of the seminar, arrangement and hospitality.

7. Number of Participants

:

90 participants (including students, teachers of different colleges and guests) attended the seminar.
