The college also organizes Wellness Webinars focused on promoting Physical and Mental Health of all students and teachers. In May 2021, a Wellness Week was celebrated by the college, where different aspects of fitness and health were discussed with the students, to help them overcome problems faced during the pandemic.

1. **Gaurav Basu, A Certified Fitness Trainer** instructed students on exercises for relieving body aches and pains and also in a simple form of exercise while walking in place, called 'Walk and Burn'. He also addressed students' issues regarding body-shaming and weight gain during the pandemic and encouraged them to follow a healthy lifestyle.

**Day-1 (19.05.2021, 05:00 PM)**

**"FIGHTING FIT-HEALTH AND WELLBEING IN THE PANDEMIC"**

2. **Dr. Sonali Mukherjee, an Ayurvedic Doctor** discussed ways and means of increasing immunity, using food and herbs available at home and answered multiple queries on health issues being faced by students.

**Day-2 (20.05.2021, 05:00 PM)**

**"CHOOSING WELLBEING: PREVENTION IS BETTER THAN CURE"**

3. **Debatri Basu, an Ayurveda Consultant** talked about improving the way we cook food to ensure maximum nutrition and ways in which students could plan meals to ensure they felt full, but stayed fit.

**Day-3 (21.05.2021, 05:00 PM)**

**“HUNGRY KYA? COOKING YOUR WAY TO GOOD HEALTH”**

4. **Arup Ghosh, Life Coach and Hypnotherapist** explained what causes panic attacks and stress and ways of relieving the same. He guided participants of the workshop through a meditative process for rewiring the subconscious mind to function better and answered students’ queries regarding their fears and insecurities. The Webinars are all available on the College YouTube Channel.

**Day-4 (22.05.2021, 05:00 PM)**

**“MIND OVER MATTER: STRESS RELIEF AND MENTAL WELLBEING”**
