Sealed quotations are invited from authorised distributor and suppliers with established track record for supply and installation of a **Multimeter** with following specifications:

The last date of submission of the quotations is 3rd March, 2020, 3.00 PM, at Department of Physics, New Building, Vidyasagar Evening College, 39, Sankar Ghosh Lane, Kolkata 700 006.

The quotations will be opened on 3rd March, 2020, 3.00 PM, at the office of the Principal, Vidyasagar Evening College in presence of all interested suppliers who had submitted quotations.

Details of the Quotation for Multimeter

Sl. No.	Parameter	Specification
1	6 1/2 Digit Digital Bench Top Multimeter	---
2	Installed Communication interface: GPIB Communication and Digital I/O accessory	---
3	Measurement function including capacitance, temperature and digitizing	---
4	Current	10pA to 10A
	Resistance	1mΩ to 100MΩ
5	Multi-touch capacitive touch screen with graphical display	---
6	Capture voltage or current transients with 1 MS/sec digitizer	---
7	Internal memory	7 million reading
8	Standard USB-TMC and LXI/Ethernet communication interface	---
9	Specifications allow for longer calibration cycles	3 year
10	USB host port for storing readings, instrument configurations, and screen images	---
11	Warranty	3 year
